### “Cut Out Card Making”

Cardstock weight paper or mat

Color papers

Scissors

Pre-cut templates (mat board)

Pencils

Hole punchers, small and large size

Glue sticks

**Step 1...** Fold half of color paper and trace pre-cut template to color paper. Make sure the straight line side of template is lined up with the folded paper side.

**Step 2...** Cut out along the traced lines.

**Step 3...** Punch holes or cut out the hole areas.

**Step 4...** Paste glue on the back of the color paper and place it on the card or mat.

**Step 5...** Sign your name with pen or pencil in the lower right corner and you are done.
